

SASQUATCH

FIELD GUIDE

FOR KIDS

LOOK

Along riverbeds
in mountainous
areas!

IDENTIFY

Sasquatch tracks are wide, with no arch. They are usually larger than human feet!

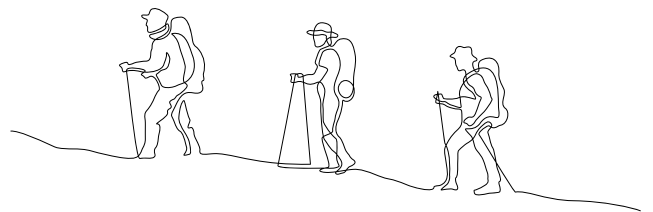

CLEAN UP

Sasquatch habitat is at risk from people's trash along the trails. Do your best to clean up the area!

FIND

Lure a Sasquatch in by howling up to 3 times! Then, sit & listen for a while!

HAVE FUN!

Share your findings with family & friends!
