ChatSquatch Terms of Use

1. Informational Purposes Only

ChatSquatch and all AI-generated responses provided on this website are for general informational, educational, and entertainment purposes only. They are not intended to serve as professional advice, safety guidance, navigation instructions, or a substitute for trained outdoor, survival, wildlife, or emergency professionals.

2. No Professional or Safety Advice

ChatSquatch is not a licensed guide, ranger, safety professional, or emergency service.

Any suggestions regarding hiking, outdoor exploration, wildlife areas, or Sasquatch research are:

- generalized, non-authoritative
- not guaranteed to be accurate, current, or safe
- Users must independently verify: trail conditions, land access permissions, weather, hazards, park regulations, closures, wildlife risks, before undertaking any outdoor activity.

3. Assumption of Risk

Outdoor recreation, hiking, wilderness travel, and wildlife exploration involve inherent risks including injury, illness, property damage, or death. By using this website and ChatSquatch, you acknowledge and agree that:

- You assume full personal responsibility for your decisions and actions.
- You use any information at your own risk.
- You will not rely on ChatSquatch as a safety, navigation, or survival resource.

4. No Liability for Outdoor Decisions

To the fullest extent permitted by law, The Forest Fleur and its owners, operators, affiliates, and partners are not liable for: injuries, accidents, lost persons, encounters with wildlife, navigation errors, environmental hazards, property damage, or any outcome resulting from reliance on AI-generated information. This includes any recommendations related to:

- hiking areas
- wilderness regions
- research locations
- outdoor activities

5. Accuracy Disclaimer

AI responses may contain errors, outdated information, or incomplete guidance. We make no guarantees regarding: accuracy, completeness, reliability, suitability. Users must verify all information through official sources such as:

- park services
- land management agencies
- local authorities
- professional guides

6. Not a Navigation or Emergency Tool

ChatSquatch is not designed for real-time decision-making, emergency situations, or survival planning. Do not rely on it for: route planning, emergency response, medical decisions, weather safety, remote travel preparation. If you are in danger, contact emergency services.

7. Wildlife & Research Content

Content relating to wildlife, Sasquatch research, or field exploration is speculative, educational, and community-driven. It should never be interpreted as instruction to enter remote, restricted, or hazardous areas. Users are responsible for complying with:

- local laws
- land access rules
- conservation regulations
- private property rights

8. User Responsibility

By using this website and ChatSquatch, you agree:

- you are responsible for your safety
- you will use sound judgment outdoors
- you will not treat AI responses as professional instruction
- you accept all risks associated with outdoor activities

9. Limitation of Liability

To the maximum extent permitted by law, The Forest Fleur shall not be liable for any indirect, incidental, consequential, special, or punitive damages arising from: use of ChatSquatch, reliance on AI-generated information, outdoor activity decisions, inability to use the service.

10. Changes to AI Behavior

We reserve the right to modify, restrict, or discontinue ChatSquatch functionality at any time to improve safety, accuracy, and user experience.

11. Acceptance of Terms

By accessing or using this website and ChatSquatch, you agree to these Terms of Use.

If you do not agree, do not use the service.
